

ACCESSIBLE COMFORT FOR EVERY COMMERCIAL SPACE

For over 30 years, we have made sustainable, high-performance outdoor furniture. Our stylish, durable, and low-maintenance designs are built for comfort and commercial use in any environment.

At C.R. Plastic Products, we offer thoughtfully designed furniture that enhances healthcare spaces – including hospitals, long-term care homes, and rehabilitation centers – while also serving a wide range of commercial and residential settings. Our accessible dining tables, ergonomic seating, and low-maintenance outdoor furniture are crafted to support the comfort and well-being of patients, residents, and visitors.

Built to last and easy to maintain, our products bring function and style to outdoor spaces, helping you create welcoming environments that feel like home. With durable materials and a focus on long-term value, our furniture is a smart choice for any setting.
